LOOSE PAPER: Collected on Wednesday's. Newspapers, magazines, catalogs, telephone books, paper bags and home office paper may be recycled along with your corrugated cardboard shipping boxes. Place these items in a reusable basket or in paper bags. Multi family homes [3 or more] must use the green container marked "NEWSPAPERS"

CARDBOARD: Soft cardboard boxes such as cereal, tissue, gift, and clean pizza boxes (i.e. no leftover food or melted cheese on the box) may be recycled with your corrugated cardboard shipping boxes. Remove any plastic inserts (i.e. from cereal boxes) flatten boxes and either place together in one box or tie together.

SANITATION REGULATIONS

TIME & LOCATION: All residential containers for City collection must be placed at the curb between 6 AM and 8 AM on the collection day.

CONTAINERS: Typical household garbage should be placed in metal or plastic pails with lids and should not exceed 75 pounds. Loose items must be placed in containers or tied to prevent scattering.

BULK PICK UP: Non metal, large household items are picked up every Thursday or Friday of your garbage pickup. A maximum of ten minutes will be spent on any one location so the City wide collection schedule can be maintained.

APPLIANCES: Appliances and large non-automotive metal items are collected by appointment only. Call 422-1217 to schedule a pickup. Remove all appliance doors. Federal regulations require refrigerators and freezers to have Freon professionally removed (window air conditioners are currently acceptable as is). A Westchester County Freon Compliance Certificate is required for refrigerators and freezers before DPW can pick up. Call 422-1294 for further assistance.

TV's & COMPUTER MONITORS: Must be brought to the Gedney Way Recycling Center at 85 Gedney Way, Monday thru Saturday, 8:30 AM - 3:30 PM. These items will not be collected curbside.

FALL LEAVES & HOLIDAY TREES: See reverse for leaves and soft yard debris. Holiday trees will be picked up at the curb after January 1st for mulching. Remove any plastic bags and/or tinsel.

Do not leave uncollected items at the curb.

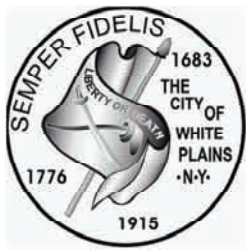

Call 422-1293 or visit

RECYCLING OF YARD DEBRIS

Department of Public Works Highway Bureau

COMPOST REGULATIONS for Home Collections of Yard Debris

The City of White Plains
Department of Public Works
255 Main Street, 3rd Floor
White Plains, NY 10601

SOFT YARD DEBRIS: Effective August 31, 2009 and concluding in Mid-October when fall leaf pickup begins, grass clippings, leaves, small brush, twigs, plants and flowers will be collected at curbside, on a semi-monthly basis, in accordance with the "Containerized Compostable Pickup Schedule". (See green-shaded scheduled weeks below)
Garbage cans that have the City's "COMPOSTABLE" sticker/label on the container must be used.

"COMPOSTABLE" STICKERS may be obtained, free of charge, by calling 422-1294 or 422-1202.

BRUSH & BRANCHES should be bundled and tied. Branches should not be more than three inches in diameter and no longer than four feet in length. DO NOT mix bundled branches with grass or leaves. A maximum of ten minutes will be spent at any one location so the City wide collection schedule can be maintained.

NEW!
FALL LEAF PICKUP: From October 13th to December 10th leaves must be placed in your regular compostable containers and/or in 30-40 gallon biodegradable paper bags and left on the property side of your curb - not in the street. Non biodegradable matter such as rocks, bricks, drywall, rubbish or dirt may not be placed in compost bins or leaf bags. Collection will be on a continuous schedule. Due to weather and other scheduling factors, it is difficult to predict the precise time the leaf pickup crew will visit a particular street. During the actual collection period, more precise information may be obtained by calling 422-1202.

Paper bags will be available for sale to White Plains residents at the Gedney Way Recycling Yard; Ten bags for \$5.00 while supplies last. (Checks only Please)

Grasscycling - Grass clippings can be a valuable organic product when properly utilized. Consider allowing grass to grow taller and cutting more often. Make your next lawn mower a mulching mower.

Residents may also use the DPW Gedney Way Green Drop-off at 85 Gedney Way, to dispose of any yard debris. The facility is open Monday thru Saturday, from 8:30 to 3:30 pm.
